

Company Activities

Cahaya Samudera Shipping Pte Ltd was established since 1979 and we specialise in Indonesian Ports. In the 80's, its sister company O.K. Shipping Pte Ltd was officially formed.

With our efficient and responsible management team, CSS has expanded in the 90's and own office established in Jakarta. We are now able to handle shipments between Indonesian ports and other ports worldwide.

Keeping pace with the advanced technology, CSS has computerised the administrative work to provide better services to the customers.

Having achieved ISO-9002 in Year 2000 and ISO-9001:2000 in Year 2002, we continue to strive for excellence and meet customer satisfaction.

We operate full container services, with 5 direct sailings weekly to Jakarta. The vessels are berthed at W1, UTC 1, UTC 3, T 300 & MTI 009 in Jakarta.

We also operate full container services from Singapore to the following locations:

- Surabaya
- Semarang
- Bali
- Ujung Pandang
- Banjarmasin
- Balikpapan
- Belawan

In order to remain competitive in the shipping and Freight Forwarding market, we emphasize on our prompt and reliable sailing schedules and to maintain a young

fleet of equipments (containers) to satisfy the utmost requirements from our customers. With our specially trained, experienced and friendly staff, our quality service is rest assured.

Our major task is to look after our shippers' interests at all times and to provide the best quality services to our customers.
